THE MUSTANG OWNERS CLUB PACKAGE

We can produce competitively priced car illustrations for individuals, but why not share the cost of the original illustration with other club members with the same model?

This origination cost can be shared by all club members who want a personalised print.
The more that want to participate, the lower the cost for each member!

COMMISSIONING AN ILLUSTRATION

To demonstrate we will use an illustration we did for the TVR Car Club.

- 1 Email us a digital photograph of a car taken from the angle all participating members will like. Try to take the shot so the camera is at the same height as the head of the driver for extra impact.

- 2 We will then produce a detailed illustration of the vehicle as high definition art.

PERSONALISING THE CARS

There will be a fee of £80 for each personalised car.

Email us a digital photo of the front of each members' car, so we have the colour and number plate.

3 Colour Match. We will recolour the illustration for each car.

4 Background. Choose your favourite from our catalogue.

5 What would you like the message to read at the bottom of the print?
We usually show the vehicle marque and model with the year of manufacturer, but the message can be anything you wish - perhaps a personal message.
